New Blizzard Hits Anew in Storm Sick Area

DENVER, Colo. (AP) — A new arctic storm swept out of Canada into Montana Sunday and today had most of the Rocky Mountains and Northern Great Plains in its grip.

Temperatures today dropped as low as 37 degrees below zero. Snow driven by winds up to 60 m.p.h. in parts of Kansas, the Dakotas and Montana Sunday reduced visibility to near zero in some localities.

Winds died down during the night, and limited visibility was reported today at only scattered sections in western Nebraska and northwestern Iowa.

Low temperatures included 37 below zero at Helena and 32 at Butte, both in western Montana. Ellings, in the east, had 3 below. Sheridan and Cody, both in northern Wyoming, had 23 below zero.

Akron, Colo., near the Kansas line, had two below.

Cold wave warnings were posted for most of the Rockies and the Midwest, with sharp drops in temperature and snow in store for more than dozen states.

The cold weather was expected to invade most areas from eastern Wyoming and Colorado, north to New Mexico, northwest Texas, Oklahoma, Kansas, the Dakotas, Nebraska, Iowa, Minnesota, Wisconsin, Missouri and northwest Illinois.

Below zero readings were predicted for northern states along with strong northerly winds and snow.

At Scottsbluff, Neb., the temperature dropped from 41 to zero by midnight. The temperature in Denver fell 29 degrees in one hour Sunday night.

Helena, Montana capital that took the brunt of a record storm last midweek, reported a 20-inch snow depth with about six inches of new snow.

The new storm dropped two to six inches of new snow over Montana, but all main highways remained open. Air travel was halted, but trains and buses managed to keep near schedule.

In western Montana, authorities were looking for two missing hunters, Fred Miller and Joe Kent of Hamilton, Mont. Officers said they apparently became lost Sunday while hunting with three other men. Snow in the area is 14-16 inches deep.

The snow broke an Idaho Power Co. transmission line between Pannock and Salmon in central Idaho near the Montana-Idaho border. Bannock was without power for more than 10 hours.

Ice gorges built up in the Missouri River at Townsend in south central Montana, and in the Yellowstone River at Glendive in the east. An estimated 60 head of cattle were reported frozen near Townsend as a result of Missouri River water being backed into sloughs by ice jams.

Many Montana schools were closed today.

Bulletin

WASHINGTON (AP) — The Supreme Court today agreed to review lower court decisions that the federal government cannot sue a state on charges of discrimination against Negroes who wish to register to vote.

U. S. Challenges Election in Tennessee

WASHINGTON (AP) — The Justice Department today filed suit at Memphis, Tenn., challenging the validity of a "white primary" conducted last Aug. 1 in Fayette County, Tenn.

The action, brought against the Democratic Executive Committee of Fayette County under the Civil Rights Act of 1957, was the first court action dealing with alleged racial discrimination in an election.

Three previous cases filed to preserve Negro voting rights concerned alleged discrimination in voting registrations.

The Memphis suit asked for an injunction to prohibit the Fayette County Democratic organization from preventing Negro participation in primary elections for local office.

The complaint alleged that Democratic nominations in Fayette County are tantamount to election. No other party has offered a candidate for local office in Fayette County since reconstruction days.

The suit said the Fayette County Democratic Executive Committee, composed of representatives of the 15 voting districts in Fayette County, are responsible for calling and conducting local primaries, including designating the election officials.

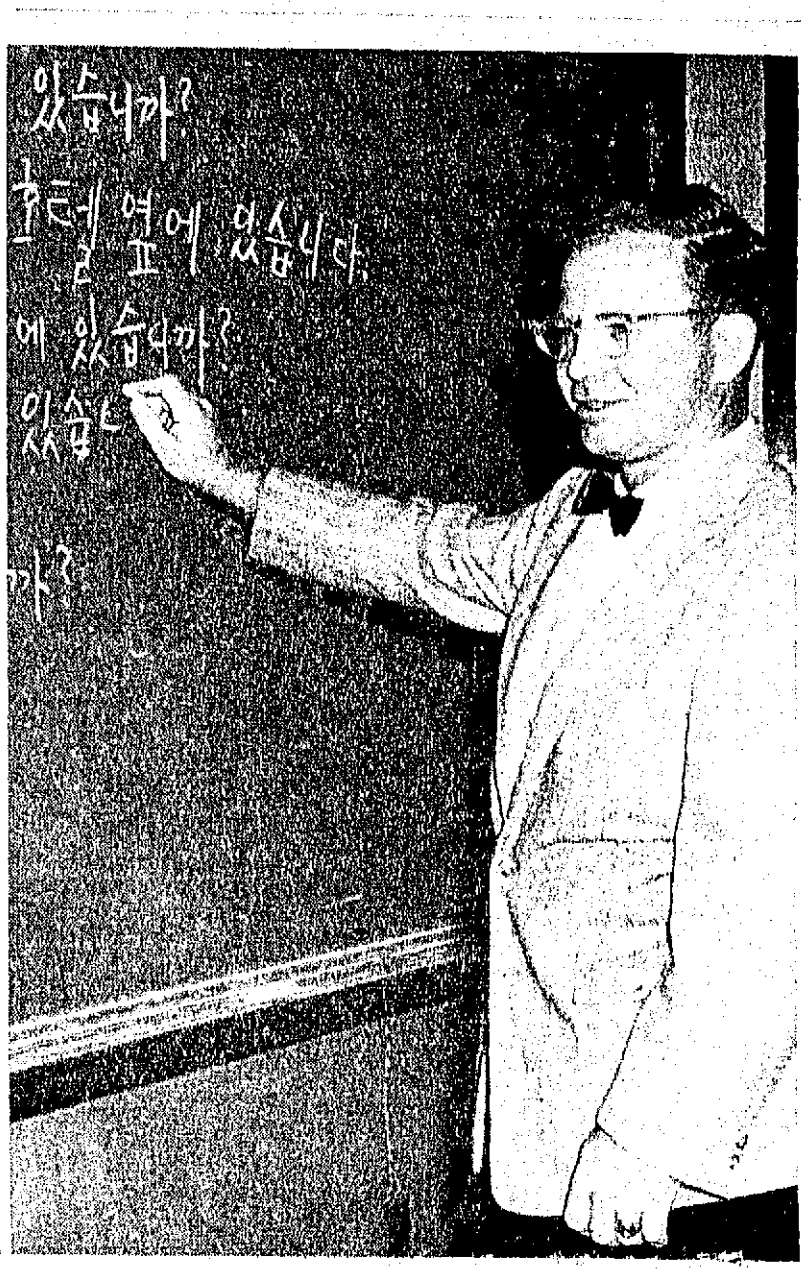

The government charged that about five weeks before the Aug. 1 primary, the committee adopted a resolution excluding Negroes from the primary and on election day placed a notice on each ballot box barring Negroes.

According to the suit, the notice said: "Only White Democrats are authorized to vote in this primary."

"If any Negroes should ask to vote in any district, they are to be informed that this is a white Democratic primary and not a general election."

The complaint said that as a result, several Negroes who tried to vote were turned away by election officials.

Big Airliner Carrying 42 Persons Falls Into Deep Waters of Gulf

No Sign of Life as Helicopter Sights Wreckage

NEW ORLEANS (AP) — The wreckage of a National Airlines plane with 42 persons aboard was spotted today in the Gulf of Mexico 108 miles east-southeast of New Orleans. There were no signs of any survivors.

National's chief pilot, Capt. Charles H. Italy, flew from Miami and found the wreckage.

Ruby said Coast Guard vessels were en route to the scene of the wreckage and should be there in an hour.

The plane disappeared on a flight from Miami, Fla., to New Orleans.

The DC7B was carrying 36 passengers and a six-man crew.

An airlines spokesman said last radio contact came when the plane was in the vicinity of Chandeleur Island, 45 miles due south of Biloxi, Miss.

Coast Guard patrol boats, sea planes and helicopters had trouble getting away from shore because of low visibility ceiling along most of the coast about dawn. But the weather started clearing.

At first the search was centered around Chandeleur Island. But the Coast Guard later extended it from the coast, 150 miles into the Gulf from Biloxi eastward to Pensacola, Fla.

These aboard included Jack Alkinson, Federal Aviation Administration inspector checking a routine check run. He was listed as a member of the crew.

The plane left Tampa at 12:02 a.m. bound for New Orleans.

Capt. Frank E. Todd, the aircraft commander, reported at 1:33 a.m. he was over a chunk point 100 miles east of the island. That was near the island. It was the last contact with the plane.

A specially equipped 95-foot Coast Guard search and rescue boat pulled out of Pascagoula, Miss., to join the search. The 165-foot cutter Nikes left Gulfport, Miss., headed south with two doctors and medical supplies aboard.

United Turkey Day Service Planned Here

The ministers of the Hope Ministerial Alliance in their regular meeting for November set the Unity Baptist Church as the place for the annual Community Thanksgiving Service.

Dr. John McClanahan, pastor of the First Baptist Church, will bring the message. Other local ministers will also be participating in the service.

KXAN will broadcast the service which begins at 8:30 a.m., one hour earlier than on previous occasions. All Faiths are invited to attend this community service.

Ike Starts Check on Military Budget

By DOUGLAS B. CONELL
AUGUSTA, Ga. (AP) — President Eisenhower supervised himself today with a team of defense and financial experts and began a thorough item by item check on a 1961 military budget of some \$41 billion dollars.

Secretary of Defense Neil McElroy and a plane load of Washington officials flew in with the defense budget and motored to Eisenhower's vacation headquarters at Augusta National Golf Club.

The flight landed at the Augusta airport 23 minutes behind schedule. So the spending seminar was correspondingly late in getting under way in the trophy room at the golf club.

So far, the president and two other top officials, L. C. Bly and Walter E. Rorer, have been in Augusta, Ga., since they left Washington last week. Bates died last week.

3-Way Wreck Leaves Three Persons Hurt

Late Saturday on Highway 4, near Washington, three persons were injured in a three-car accident and one driver was charged with driving while intoxicated.

Jimmy Sutton of Fort Smith crashed head-on into an approaching car driven by Henry Thompson of Emmet. A third auto driven by Jessie Robins Jr. of Ozark ran into the wrecked cars.

State Officers Pankey and Ward said Sutton was driving on the wrong side of the road and filed charges against him.

All three drivers were brought to a local hospital for treatment. Sutton and Thompson were released but Robins was kept for treatment of a head laceration. He is not believed badly hurt.

All three vehicles were practically demolished.

Tree Planting Season Here, SCS Advises

The Hemstead Soil Conservation District has received its first shipment of pine tree seedlings. Some 25,000 were delivered to be planted on the W. C. Taylor farm and 28,000 on Arch Wylie's farm.

It is the hope of the SCS to get all seedlings planted by Jan. 1, 1960. If you have trees to be planted select your contractor and have him contact the SCS office.

George Brown or Herbert Green, as to when they should be delivered. If you plan to plant your own trees the SCS would like to know when all trees should be planted within three days after delivery.

Seedlings should be kept moist, direct sun heat and well watered. The SCS will accept anyone's planting trees.

Aged Man Perishes in House Fire

HARRISBURG, Ark. (AP) — Fire swept through a home here Sunday morning, killing an 82-year-old man and leaving a wife and two children injured.

Fire Chief J. B. May said the fire had been burning about 10 minutes when the body was found. It was the first fire in the home since it was built.

The fire started in a bedroom and spread to the living room. The fire department arrived within 10 minutes and fought the fire for about 30 minutes.

The cause of the fire was not determined. The fire department is still investigating the cause of the fire.

Youth Injured When Scooter, Auto Collide

At 6th and Walnut Streets this morning an auto driven by Luther H. Irvin and a motor scooter ridden by Jerry Waller collided, resulting in bruises to young Waller. His condition is not believed serious.

Investigating City Officer Rothwell charged Irvin with running a stop sign. Young Waller was taken to a local hospital by a Haddon-Cornelius ambulance.

Yesterday at Third and Walnut a three way accident resulted in damage to three cars. City Officer Rothwell and Snyard said a car driven by John Springfield of Dallas hit the rear of an auto driven by James Hatfield and knocked the Hatfield car into another driven by Ronnie Routh of Buxier City, La.

Also Sunday on North Hazel St. a car driven by Mrs. Harry Phillips slid into a parked pickup, owned by Herman Turentine. Both vehicles were heavily damaged. Officers Rothwell and Snyard said.

Court Upholds Case, Changes Another One

LITTLE ROCK (AP) — The Arkansas Supreme Court today upheld one case and changed another.

Upheld was a decision ordering the Washington County Republican Central Committee to certify Edith Wentz as the only elected party committee member from Ward Two in Springfield.

Reversed was a case awarding \$5,000 to the estate of Mrs. Beulah F. Harris who was killed in a car crash on Sunday, June 8, 1946. The judgment was against the St. Louis San Francisco Co. Railroad.

The Supreme Court said Wentz received 11 votes for committee member and was elected. Mrs. F. Harris received 11 votes and was elected.

The court said the judgment was reversed because the committee was not properly constituted.

New Rights Suits Filed Against Smith

LITTLE ROCK (AP) — Three new civil rights suits were filed today against Police Chief Gene Smith as a result of the segregationist demonstration near Central High School on Aug. 12.

Damages totaling \$230,000 were asked.

Glenn M. Paul asked a total of \$100,000 for what he said was a wrongful detention of his two daughters, Glenn, 16, and Marilyn, 14.

Mrs. C. M. Hollingshead, mother of Larry Wayne Baker, 12, filed a similar suit on behalf of her son. She asked \$50,000.

Mrs. Hollingshead said her son was held by police, who under Smith's direction, broke up the demonstration the day Central opened on a partly integrated basis.

The third suit was brought by J. D. Boegs 63 of Pine Bluff, who said a policeman took an American flag from him. He asked \$50,000.

The three suits were lodged in U. S. District Court here, where several similar actions already are pending against Smith.

Brinks Group Denied a New Hearing

WASHINGTON (AP) — The Supreme Court today denied a hearing to Brinks men serving life sentences for the \$1,219,040 Brinks robbery in Boston.

Attorneys for the eight, asserting they were denied a fair trial because of massive, prejudicial publicity, appealed to the high tribunal to overturn their convictions.

The appeal further urged the court to rule on whether the indictments against the eight should be quashed and the case dismissed because of asserted facts of publicity on the grand and trial juries.

The court lost the convictions and sentenced the eight to life in prison. The high court made no comment in announcing its refusal to consider the appeal.

The Brinks crime, which occurred Jan. 17, 1950, has been described as the nation's biggest cash robbery.

The appeal was filed on behalf of Michael V. Grogan, Joseph E. McGinnis, James I. Fawcett, Anthony Pao, Thomas F. Richardson, John A. Moffie, Vincent James Costa and Henry Baker.

Cranberry Stew Bubbles Up Again

By JOE F. KANE

WASHINGTON (AP)—The national cranberry stew bubbled again today with a new protest from growers.

Chicago health officials were holding a shipment of Wisconsin cranberries which they said were contaminated with the same kind of weed killer found earlier on some West Coast berries.

C. P. Olsson, president of Ocean Spray Cranberries, Inc., a national cranberry cooperative, asked President Eisenhower to declare disaster areas the cranberry-growing states of Washington, Oregon, Wisconsin, New Jersey and Massachusetts.

In a telegram sent from Plymouth, Mass., to the vacation White House at Augusta, Ga., Olsson asked Eisenhower to "provide immediate relief to thousands of small farmers for losses caused by the unnecessary, untimely and imprudent action" of the Federal Government.

At a news conference last Monday, Olsson said traces of a weed killer had been found in some of the cranberries grown in the Pacific Northwest. He said the weed killer, Amintiazole, had caused cancer in rats when it was included in their diet.

The secretary advised against eating the berries until tests could be made to be sure they contained no traces of Amintiazole.

The cranberry growers immediately protested that Olsson had pulled the rug from under them just before the holidays.

Two shipments of cranberries grown in Oregon were seized last week by health authorities. On Saturday, the Chicago Board of Health seized 29 tons of cranberries grown in Wisconsin and impounded them. The board said its tests showed four of six samples of the shipment were contaminated with the weed killer.

Sales of all cranberries and cranberry products were barred in Chicago.

Fleming will meet with cranberry growers here Wednesday.

Faubus, Fulbright to Speak at L. R.

LITTLE ROCK (AP)—Gov. Orval F. Faubus and Sen. J. W. Fulbright will be among speakers at a joint conference on municipal planning, renewal and housing here Thursday and Friday.

About 150 persons are expected to attend the meeting, first of the sort in the state.

Three federal officials will explain government programs to aid in urban renewal and other community improvement projects. They are W. H. Sindt, Housing and Home Finance Agency; Robert C. Robinson, Urban Renewal Administration; and Marsha A. Ames, Public Housing Administration.

Purpose of the conference is to show how cities can get federal aid and professional help in slum clearance and related programs.

Operator of Diamond Mine Is Murdered

MURFREESBORO, Ark. (AP)—Local and state police combed North America's only diamond mine today for clues in the murder of 56-year-old Ellis E. Fagan, a mine operator.

Fagan was found shot once in the head early yesterday morning. He was lying on a bed in a shack on the Martin Mine, which adjoins the Crater of Diamonds.

The two mines are part of a diamond-producing field that has yielded several valuable stones.

Police could find no motive for the murder, Dep. Sheriff Charles Holder said the killer placed the death weapon, a .22 caliber pistol, in Fagan's left hand after the shooting.

This was determined because Fagan's right hand had been crushed by the bullet that killed him. He could not use his left hand because of arthritis.

A coroner's jury ruled out suicide for those reasons and called the case murder.

Holder said Charles G. Bard, 27, of 251 81st St., New York, was arrested for questioning. Holder said Bard had been in the area for about 13 days searching for diamonds.

Fagan's job was selling \$1.50 shares in the Martin mine to tourists, who then were allowed to search for diamonds on the mine site. The Crater of Diamonds operates in much the same manner. Those two mines are the only sections of the diamond-producing field that now are being used as tourist attractions.

Commercial mining of the area proved unsuccessful.

Fagan's wife found her husband yesterday when she went to the mine after he did not come home

for breakfast, as was his custom. Fagan had been sleeping at the mine to protect it.

Fagan is survived by his wife, who lived with him about a half-mile from the mine, and one son. The mine is located about 2½ miles south of Murfreesboro.

MURFREESBORO, Ark. (AP)—Police today combed what is termed North America's only diamond field for clues in the murder of a mine operator.

Ellis E. Fagan, 56, was found shot once in the head early Sunday, lying on a bed in a shack on the Martin mine, which adjoins the Crater of Diamonds.

Municipal League in Conference

EUREKA SPRINGS, Ark. (AP)—Topics ranging from sanitation to city financing are on the program of the Arkansas Municipal League's 25th annual convention which opens here today.

First day highlights include a talk on building codes by Walter Seales of New Orleans, architect and consultant to the National Lumber Manufacturing Assn., and a discussion of Arkansas municipal financing by Ralph Gray, University of Arkansas economist who has studied problems of urban growth.

North Little Rock Mayor W. F. Laman, League president, addressed delegates at the opening session.

City Manager Dean Dauley of Little Rock and Commissioner Hugh Brewer of Fort Smith will outline the forms of government in their cities, with a general discussion on mayor-council government to follow.

Shares in the Martin mine to tourists, who then were allowed to search for diamonds on the mine site. The Crater of Diamonds operates in much the same manner. Commercial mining of the area proved unsuccessful.

DOROTHY DIX

Revive Those
Courtin' Days!

Dear Dorothy Dix:

I am married to a girl that I loved when I married her. We have four boys and one girl. I paid for my own home and six acres of land, also paid to get kids through high school. My wife went to work at a hospital in 1957. Some of the other wives working there told her that their husbands washed dishes and did the same. And I won't do it.

I am a lumber inspector, sometimes away from home for a week or two. My wife says "Who were you out with this trip?" Sure I buy some girl a drink, but does that mean I am in love?

Why did I marry my wife? If the girl I married would still be the same, we would still be in love. — J.N.S.

Dear J.N.S.: When your wife cries "You do the washing too!" she's only hitting back at you for playing Big-headed Henry to the other girls. Be the boy the married you did in your courtin' days. Take her out. Pray her in front of others. If you do I'll bet you'll find the washing, as well as the dishes, done. And what is more important, you'll both be falling in love all over again.

Mrs. Tom Kinser was second high. A salad plate and coffee were served to two tables of club members by the hostess.

Mrs. E. P. Young Jr., Hostess to Bridge Club

On Thursday night, November 12, Mrs. E. P. Young, Jr. was hostess for a meeting of her bridge club. Attractive bouquets of seasonal flowers were seen in the home.

At the conclusion of play, prizes were won by Miss Troy Hammons, Mrs. Harold Brents, Mrs. Homer Jones, and Mrs. Bill Routon. For refreshments the hostess served a dessert plate and coffee to two tables of club members.

Mrs. Homer Schooley has been called to the bedside of her mother, Mrs. Tiny Johnson who is seriously ill at the Bradley County Memorial Hospital in Warren, Ark. Friends wishing to send messages to Mrs. Johnson at the hospital should address them to room No. 2.

Coming and Going

Mr. and Mrs. Thel Joplin and Mr. and Mrs. G. A. Hobbs returned home Sunday from Dallas where they spent the weekend and attended the U of A-SMU football game last Saturday.

Mrs. Thompson Evans Jr. was the guest of Mr. and Mrs. "Soc" Jones in Dallas, this weekend and all went to the U of A football game.

Mrs. Willie Mae Ramsey is in Dallas visiting Mr. and Mrs. Billy Ramsey and family.

Mr. and Mrs. Brents McPherson visited Mr. and Mrs. Jack Gray and Gloria in Longview, Texas this weekend and the men went to Dallas for the Ark-SMU football game Saturday.

Mr. and Mrs. Howard Pritchard and Miss Opal Daniel attended the Book Fair in Nashville the first weekend in November.

Mr. and Mrs. Steve Sheiron of Sheridan spent the weekend with Mr. and Mrs. Art Pincher.

Miss Emma Jean Dunlap of the Methodist State Board of Temperance was the weekend visitor of the Rev. and Mrs. Rufus Sorrells, and all attended a meeting in Texarkana Saturday.

New Tactics by Attorneys of 3 Negroes

LITTLE ROCK (AP) — Attorneys for three Negroes seeking admission to the all-white Dillard University School near Pine Bluff tried a new legal maneuver today in their fight for integration.

The lawyers asked for permission to file a supplemental complaint to a federal court suit against the Dillard University School Board. Use of a state pupil placement law by the board is attacked in the complaint.

If the supplemental complaint is entered in the record by U.S. District Judge J. Smith Henley the next step would be for the attorneys to request a permanent injunction restraining the Dillard board from denying the Negroes admission to the white school.

Henley was asked to hear the motion to file a supplemental complaint on Nov. 20. The attorneys also requested that the defendants be instructed to reply by Nov. 24 to a hearing on the complaint.

Dear Dorothy Dix:

Why won't women stop complaining about husbands not being affectionate after marriage? My husband is not so affectionate but I know he works hard for me and the kids so I play a little on the affectionate side.

When he gives this a try, woman? When he's busy hugging and kissing the children, join the gang. Give him a big hug and a kiss on the cheek. Believe me he deserves it after a hard day at the office; even if he does stay at the bar for a beer with the boys. — N.M.

Dear N.M.: Good girl! You've got the right spirit. If more wives were like you there would be fewer divorcees.

Dear Dorothy Dix:

My husband and I have been happily married for 12 years. Jack was very affectionate, always brought up differently. When I see wives in the movies or TV doing affectionate little things like running their hands through their husband's hair or kissing them, I feel guilty.

A few months back I foolishly told Jack I did not enjoy his love-making. I've had only kindness since but no affection or love. I miss it very much. He will not give in unless I make advances to him first. I'm afraid that this will drive us apart. What is there for me to do? — Gertrude

Dear Gertrude: It isn't your fault that your feelings are in a deep freeze. It's a Victorian hangover which still plagues the so-called civilized world. Women were taught to believe that no nice girl ever enjoys love-making. All this phony precept did was boom prostitution.

The old adage that love makes the world go round remains true. Unless you want to lose your husband to a warmer-blooded woman, start loving him now. When he comes home tonight welcome him with a real hug and kiss. It's as simple as that.

Four Escape From Jail at Piggott

PIGGOTT, Ark. (AP) — Four prisoners escaped from jail by forcing an opening through a wall here early today.

Mrs. Joe Larkin, wife of the jailer, said the four pried out bricks from beneath a window on the second floor of the old jail, wriggled through the opening on to the roof and apparently dropped the short distance to the ground.

The fugitives were listed as Robert Hobbs, 46, of Paragould; Billy Bell, 16, of Piggott; Jack Bosick, 17, of Gideon, Mo. and Beale B. Thompson, 25, of Reector. Mrs. Larkin said her records didn't reflect exact charges against the four, but that all were held on minor counts.

Several weeks ago four young men knuckled down the wife of the jailer at Cornin and rushed out of the jail there. All later were recaptured.

Piggott and Cornin are joint county seats of Clay County and there is a jail in each city.

point itself could be held Nov. 30. The motion was filed by George Howard Jr. of Pine Bluff, and Robert L. Carter of New York, an attorney for the National Assn. for the Advancement of Colored People. Both are Negroes.

Their supplemental complaint said the board's rejection of the Negroes' applications to enter Dillard School was based "on the race and color of the applicants," who are Ernestine Dove, 16, James Edward Warfield, 13, and Corliss Smith, 12.

Recently the Negroes lost in a federal appeals court their bid for immediate entry to the white school. The Dillard board assigned them to an all-Negro school and rejected their efforts to have this decision changed.

The present law employed by the board allows students to be assigned to a school for a number of reasons, but race is not among them.

In the complaint, the attorneys said the board's application of the measure denied the Negroes "due process of law and the equal protection of the law which contravenes the 14th Amendment to the United States Constitution and the Brown decision." This latter reference pertains to the U. S. Supreme Court's 1954 desegregation ruling.

The pleading said "no plan, adequate or complete remedy exists to redress" what it called "injury to the students" except an attempt to obtain injunctive relief.

"Any other remedy would be attended by such uncertainties, delays and cause further irreparable injury, damages and vexation," the pleading said.

Pope Names Eight New Cardinals

VATICAN CITY (AP) — Pope John XXIII today named eight new cardinals of the Roman Catholic Church. They included two Americans, Archbishop Albert Gregory Meyer of Chicago and Aloisius J. Muench of Fargo, N.D.

The Pope's action increased the College of Cardinals to 70 members, its largest size in the history of the church.

The elevation of Archbishop Meyer, 56, had been expected since he succeeded the late Samuel Cardinal Stritch as archbishop of Chicago just a year ago today. His archdiocese is the largest in the United States, having nearly two million members.

Both the new American cardinals are natives of Milwaukee and Archbishop Meyer headed the archdiocese there for five years before going to Chicago. Archbishop Muench, 70, has been representing the Vatican as papal nuncio to Germany since World War II but has retained his post as head of the North Dakota archdiocese.

The eight new princes of the church will be elevated to their high office on Dec. 14 in a consistory in the Vatican's Consistorial Hall.

Those named with the two Americans were Joseph Heard, British dean of the Holy Roman Rota Tribunal; Agostino Casaroli, German Jesuit who was confessor of the late Pope Pius XII; Arcadio Larraza, Spanish secretary of the Vatican's Congregation of the Religions, and three Italians:

Feels Cotton Bowl Will Have the Top Game

DALLAS (AP) — Jack Lowe, president of the Cotton Bowl, took the view today that the Dallas football show Jan. 1 would be the No. 1 bowl game in the country.

He had plenty of reasons to back his opinion but the main one was that it would be the only major bowl game in the country with an undefeated, untied team (Syracuse) and a team that had just crushed Colgate 71-0 for its eighth straight victory.

Syracuse, the nation's No. 1 team right now, accepted the invitation Saturday to visit the Cotton Bowl again. It had just crushed Colgate 71-0 for its eighth straight victory.

Syracuse will play the Southwest Conference representative in the Cotton Bowl. It will be either Texas or Arkansas. Which, however, won't be decided until Thanksgiving Day when Texas plays Texas A&M.

Lowe pointed out that there were only two major undefeated, untied college teams left in the nation—Syracuse and Southern California. Southern California is ineligible for a bowl game.

Too, Lowe observed, the Cotton Bowl should have the highest ranking teams. He had no doubt that Syracuse would hold its No. 1 spot and Texas would stay up in the top 10. And he figured also that Arkansas would get into the top 10.

"Probably the only bowl game that could outrank us would be a rematch of Louisiana State and Mississippi in the Sugar Bowl," Lowe said, "and I don't think they would do this."

Louisiana State beat Mississippi in regular season play.

Lowe said he wasn't greatly concerned with the fact that Texas was defeated Saturday by Texas A&M and wiped out possibilities of the nation's No. 1 and No. 2 teams meeting in the Cotton Bowl, thus projecting a "national championship."

"Of course, it would have been a fine feature but we'll have a team with a top record in the bowl game anyway," he declared. "If Texas beats A&M it will be 9-1, which is a terrific record, you know."

Arkansas is expected to be 8-2. "We have several fine teams in the Southwest Conference, any of them capable of playing the best," Lowe said. "We are going to have a great game in the Cotton Bowl. I am very happy about it."

Teachers and Henderson to Fight It Out

By THE ASSOCIATED PRESS

Arkansas State Teachers College takes its 10-game winning streak and headed back to Hendersonville Friday to meet Henderson's Reddies for the Arkansas Intercollegiate Conference championship.

Both teams have 5-0 records in AIC play. ASTC beat Millsaps College Saturday 25-6 to extend its winning streak. Henderson lost its second game of the season Saturday to Delta State, 24-6, but that defeat won't dull the shine on the title game.

Hawk went over the 1,000-yard rushing mark in the victory over Millsaps. He ran up 132 yards and scored two touchdowns. He's one big reason why ASTC will be favored to end the Reddies' championship hopes Friday.

Three AIC conference games were played over the weekend. Friday Arkansas Tech beat Ouachita 40-12 at Russellville. Saturday night Arkansas A&M pounded hapless Ozarks 33-6 and Southern State beat Hendrix 27-7.

Southern State unleashed a new running threat in freshman halfback, Danny Greenfield, who scored two touchdowns on runs of 16 and 55 yards and ran up 122 yards rushing. A&M finally got its offense off the ground and moved up into fifth place in the AIC standings.

ASTC and Henderson now are tied for the top with Southern State, Tech, A&M, Henderson, Ouachita and Ozarks following in that order. Harding did not compete for the title this year.

Saturday Southern State meets Arkansas A&M at Monticello. Ouachita faces Hendrix at Conway and Ozarks meets Arkansas Tech at Russellville.

Porkers Very Impressive in Win Over SMU

FAYETTEVILLE, Ark. (AP)—For the first time in five years the Arkansas Razorbacks have won.

It's the gleam that comes with a Southwest Conference championship, at least a portion of which the Hogs brought back to the Ozarks with them Saturday after whipping Southern Methodist 17-14 at Dallas.

At the same time, Texas was losing to Texas Christian, 14-0, and giving up its unbeaten spot and Southwest Conference lead.

The Hogs now lead the conference race with a 5-1 chart and are through with league warfare. They meet Texas Tech at Little Rock Saturday afternoon but Tech is not yet competing for the league title.

The Raiders can't damage the Razorbacks' conference record but they can hurt Arkansas' chances of going to any bowl besides the Cotton Bowl. The Porkers can't get in the Cotton Classic unless Texas A&M beats Texas on Thanksgiving Day. As things stand now, it looks like Arkansas and Texas and possibly TCU will tie for the title. Texas would go to the Cotton Bowl.

But the Razorbacks are just as happy as if they had won it all. Over 500 screaming fans who met them at the Fayetteville airport Saturday night when they came back from Dallas. It was a great day for the Hogs and for Coach Frank Broyles, who is in his second season as Razorback head coach.

"I've never been more thrilled in my life," Broyles said after the narrow victory over TCU. He praised fullback Joe Paul Alberry and halfback Lance Alworth especially.

"But I thought the whole bunch really put out their best effort," he said. "More so this time than ever before."

Alworth gained 131 yards and Alberry got 99 of Arkansas' total 400 yards rushing. Both scored their first touchdowns of the season. Alberry ran 23 yards for a touchdown that broke SMU's back in the third quarter.

Then, with the score 14-13 in favor of the Ponies, Alworth ripped over right end for the two extra points to make it 15-14. Arkansas got a safety late in the game but that didn't matter. One point was just as good as three, or thirty, or three hundred.

There was pandemonium in the Hog dressing room. Even halfback Jim Mooley, who didn't get in the game because of an injury, was yelling and slapping teammates on the back. He and

8,169 Deer Killed First Six Days

LITTLE ROCK (AP)—The state Game and Fish Commission said today that nearly complete reports showed 8,169 deer were killed during the six-day open period last week.

That compares with 7,031 kills during a corresponding period in 1957.

For the first time in many years deer hunting was legal in all counties during the recent open period.

A commission spokesman said probably 200 or 300 more kills would be reported.

There will be a similar six-day open period next month.

If killing then continues comparable to that of last week, last year's all-time two-period record of 9,828 deer probably will be exceeded.

Mitchell Leads Browns' Win Over Redskins

By MIKE RATHET
Associated Press Sports Writer

Fleet Bobby Mitchell, an undersized Jimmy Brown, has emerged from the shadow of his more illustrious Cleveland teammate while pulling the Browns into a tie for first place in the Eastern Conference of the National Football League.

With the 225-pound Brown symmetrical, the 180-pound Mitchell looked over Sunday and scored three touchdowns as Cleveland overcame the Washington Redskins 31-17 for a 4-2 record.

Mitchell, 23, who is in his second year as a pro, scored Cleveland's first TD by scampering 90 yards to pay dirt, then latched on runs of 5 and 24 yards for additional tallies as he amassed 232 on the ground.

Mitchell, using rapier-like thrusts to open the defenses where Brown's bulling rushes failed, averaged 16.6 yards a try to come within five yards of Brown's single-yardage rushing record for total yardage.

Cleveland next meets the Pittsburgh Steelers who dumped New York into a tie for the top spot by beating the Giants 14-9 on Bobby Layne's touchdown pass with 1:20 left to play.

In the Western Division, the San Francisco 49ers had their lead cut to one game when they lost to one game when the Chicago Bears threw up a brilliant defense for a 14-3 victory. The second-place Baltimore Colts edged Green Bay 28-24 on Johnny Unitas' three touchdowns.

The 49ers (6-2) and Colts (5-3), defending NFL champions, clash at Baltimore next Sunday in a showdown contest.

In other games Philadelphia knocked off the Chicago Cardinals 27-17 and Detroit upended Los Angeles 23-17.

Despite Mitchell's fancy footwork, it took a 5-yard field goal by Lou Groza at the start of the second half to put the Browns in front to stay. Dick James and Johnny Olaszewski, who set a club record with 180 yards gained rushing, gave Washington (3-5) a 14-14 halftime deadlock with scoring dashes of 4 and 19 yards, respectively.

Layne's second touchdown throw, 45 yards to Tom Tracy, ended New York's victory string at five games. The Giant offense, led by third-string quarterback Don Heinrich due to injuries to Charlie Conerly and George Shaw, couldn't get going against a tough Steeler (3-4-1) defense. For the second week in succession, Pat Summerall accounted for all the Giant scoring with 21, 27 and 29-yard field goals.

Broyles gave senior quarterback Jim Monroe credit for a big part of the victory, especially the maddening of the 59-yard drive that led to Arkansas' winning touchdown.

But Alworth was the sensation of the day. Three times he ran 10 yards for a first down when the Hogs had fourth down and four or five yards to go. Alworth ran 13 yards in the second quarter for Arkansas' first touchdown, SMU's first in the air, but Arkansas' outshine him on the ground. Meredith ran and passed to a 14-7 halftime lead and bettered the all-time major college record for passing accuracy. He threw his 352nd pass in a three-year career and completed four to bring his total to 217.

Guessing Game Started Over Bowl Teams

By ED CORRIGAN
Associated Press Sports Writer

The annual guessing game on what teams will wind up in which postseason bowl games got under way today.

This year, though, it is even more complicated because the Liberty Bowl in Philadelphia (Dec. 19) and the Bluebonnet Bowl in Houston are in the market for top teams.

Add these to the Rose, Orange, Cotton, Sugar and Gator Bowls and you have confusion.

As of now, only Syracuse is down for a bowl game. The Orangemen, No. 1 team in The Associated Press poll, will play the winner of the Southwest Conference championship in the Cotton Bowl.

One source told The Associated Press that the Bluebonnet Bowl has the inside track on Mississippi along with the runnerup in the Southwest Conference.

The same source also said that the Orange Bowl would dearly like to have Penn State, but that the Nittany Lions, second only to Syracuse in the East, lean toward the Liberty Bowl because it's a home state proposition.

If Penn State turns down the Orange Bowl, Georgia almost certainly would wind up there.

And what of Louisiana State, last year's national champion and because it lost a game by a single point? The word is that the Bengals from the Bayou are interested in any good bowl assignment.

Their task is complicated, however, because by state law they are not permitted to play against integrated teams.

Actually, this has turned out to be a banner year for the bowl promoters. They have a whole list of top teams available. Many a year the pickers are so slim they have to go with teams that don't interest even the home folks.

At any rate, here is chapter one in the guessing game:

Rose Bowl—This is a definite commitment. Big Ten champion against West Coast champion, Wisconsin. Northwestern and Michigan State all are in contention for the Big Ten title. Southern California, best on the coast, is in the NCAA's doghouse and ineligible for bowl games. That leaves Washington (6-1) if it gets by Washington State.

Orange Bowl—Oklahoma, well on its way to another Big Eight championship, can't go two years in a row. That leaves the runner-up to take the assignment. This is one big reason why Syracuse turned down the Orange Bowl bid. Kansas, Missouri and Iowa State all still could finish second, Georgia, which won the Southeastern Conference crown with a 14-3 victory over Auburn last Saturday, should get the other spot.

Cotton Bowl—This also is easy. A definite commitment, now that Syracuse will be the visiting team. The winner of the Southwest Conference has clinched a share of the title, but if Texas gets by weak Texas A&M Thanksgiving Day, the Longhorns will finish in tie for first and will get the spot because they've been away from the Cotton Bowl longer than Arkansas.

Sugar Bowl—Chances are Louisiana State, just 80 miles away, will wind up there. LSU is a home team to New Orleans and would be a popular choice. The other club could be Alabama, beaten only once although tied twice.

Liberty Bowl—Penn State vs. Air Force Academy, a twice beaten team, but still a big drawing card.

Blue Bonnet Bowl—Mississippi vs. Arkansas. This would be a good one because Arkansas will be co-champion of the Southwest Conference. If Texas goes to the Cotton Bowl, it will be because the Longhorns were last there in 1953. Arkansas was there in 1953.

Gator Bowl—Probably Clemson, which can clinch the Atlantic Coast Conference title next week, vs. Tennessee, conqueror of LSU. Texas was the victim of the biggest upset last Saturday. The Longhorns toppled from the thinning ranks of the unbeaten by dropping a 14-0 decision to Texas Christian. That left only Syracuse and Southern Cal among the major teams that have escaped un-

scathed. Syracuse posted Colgate, 71-0, and the Trojans polished off Baylor, 17-8.

er drove up behind it. An older man carrying a medical bag got out and joined Manoel. During the introductions, Sara kept watching Manoel's eyes. They seemed to be avoiding hers.

"How did this happen?" the doctor asked as he ran his fingers over her ankle.

Hands in his pockets, coat pushed back, Manoel paced back and forth behind the doctor.

"I fell last night. As I stepped onto the curb, I fell." She saw Adalgiza move closer, open her mouth, and close it again. "We applied cold towels."

"The doctor nodded. Adalgiza prescribed it." She saw the narrow face beam beneath the prim brown eyes.

The doctor put a white cotton bandage round and round the ankle. "Keep off your foot all you can for a few days."

In the midst of his goodbyes the telephone rang again. Adalgiza answered and her beaming face constricted immediately. Manoel asked, "Shall I go?"

"No, Manoel, please stay—" Adalgiza was saying. "She cannot come."

"Wait, Adalgiza, I can talk." Her chair was still close enough to reach the outstretched cord. If she refused to talk to him, Guaro might come here. She took the receiver. "Sara here."

"Sara, I must see you. Are you all right?" Sara said nothing. "I didn't know what I was doing last night. You do that to me."

"Thank you, Guaro," she interrupted, "thank you for calling. No, I won't be able to see you today. I have company." His apology began again and went on and on. She could hear Adal-

Pep Pills Probe Planned at L. R.

LITTLE ROCK (AP)—The federal Food and Drug Administration says it will hold a closed hearing within the next few days in connection with the purchase of about 2,500 "pep pills" at a Puaski County truck stop.

H. R. Southworth, the FDA's chief St. Louis district agent, said the hearing will be in St. Louis.

Giza's and Manoel's voices talking low; but she couldn't hear what they were saying. "It is all right, Guaro," she said with finality and, hung up.

Adalgiza hurried to replace the telephone. Manoel stood where he was, watching Fannula, who was stalking a fly on the far wall. Adalgiza went to the kitchen.

"Won't you sit down, Manoel? There is something I must tell you," she had to tell him everything.

He pulled one of the straight chairs beside the stool and sat facing her. "I asked Adalgiza, while you were on the phone, what happened last night. She told me."

"That wasn't what I meant. I came to learn to serve as interpreter for Hemisphere Insurance Company's branch manager here in his investigation of your warehouse fire. He was sick at first and then too busy, and I've been trying to investigate it myself."

She felt a great load off her conscience. "I know that, too, Sara." (To Be Continued)

'Lost Pilots' Pass a Survival Test

LITTLE ROCK (AP)—Twenty "lost pilots" returned to more normal roles today after completing a two-day Arkansas Air National Guard survival test.

All 20 Guard pilots survived the test without major incident in 20-degree weather. It was part of the Guard's training program.

The only near-mishap occurred during a Saturday night camp-out when Lt. Robert L. Byrd and Richard Leberman awakened to find a campfire spreading to their improvised shelter. They extinguished the flames.

The officers were put into the woods Saturday. Sunday they worked their way from the "enemy" territory where they were let out to "friendly lines," a pre-designated pickup area, dodging "patrols" of other Guardsmen.

The drill was to test the pilots' ability to survive if forced to bail out over enemy territory.

\$362,000 Needed to Operate Hospital

LITTLE ROCK (AP)—An estimated \$362,000 is needed to remodel, equip and operate until June 30 the Hot Springs rehabilitation center, formerly the Army-Navy hospital.

The state Vocational Rehabilitation Service made the estimate based on a final turnover of the hospital by Jan. 1. The figure was
